Exhibitors And Owners Of Terriers Must Be Current JRTCA Members

GENERAL RULES FOR EXHIBITORS

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10"-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. **Puppies (under 12 months) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.**
5. **Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate, or as otherwise agreed upon by the Trial Chairperson.**
6. **Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family*, Open or Working Conformation. *Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed/neutered. The offspring at their sides may be intact or spayed/neutered.**
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the conformation division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child and Youth Handling.
9. Terriers owned by judges may not be entered in the division in which they are judging, but may enter the competition in any other division. Exception - Ring 2 Nationals judge may have terriers shown in Ring 1.
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September, 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier classes or Certificate Go-To-Ground and Super Earthy must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den steward at time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. **Puppies under the age of three months are not permitted on the trial grounds. This rule also applies to RV's and campers if at the same address as the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site.**
15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.
16. Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or the National Trial Committee.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. **Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes.**
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office or it can be downloaded from the JRTCA website www.therealjackrussell.com
21. **Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.**
22. All dogs brought to JRTCA sanctioned trials must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.
23. Judges must not eat, smoke, or use cell phones while at their events.
24. **THE JUDGE'S DECISION IS FINAL IN ALL DIVISIONS. All JRTCA rules must be followed.**

Notice to Exhibitors ~ NO LOOSE DOGS!

- 1. KEEP TERRIERS AWAY FROM THE REGISTRATION TABLE!**
- 2. NO FLEXI LEADS. 4' or 6' leashes only permitted on trial site. Be mindful of where your dog is at all times.**
- 3. A copy of your 2023 JRTCA Membership card and copies of Certificates in Championship GTG, Super Earth, Agility and Working terriers must be submitted with your entries, emailed before the trial or presented to the Trial Secretary at the Registration table. Failure to provide these items will result in your terrier/s not being allowed to compete.**
- 4. Children (this includes participating Child Handlers) require adult supervision at all times.**
- 5. Please travel with your health records for ALL your terriers and have a signed rabies certificate from your vet.**
- 6. ABSOLUTELY NO PUPPIES UNDER 3 MONTHS OLD. Questions as to age of puppies will be resolved in favor of the puppies' general well-being, and you will be asked to remove them from all areas of the trial site, including RV area.**
- 7. Well-behaved, restrained "alternative breeds" may attend (if traveling with family) with approval from a Trial Administrator; however, they will not be allowed within any posted area, or within 50 feet of any event so as not to disturb the exhibitors. Please contact the Trial Administrator for permission.**
- 8. Exhibitors must sign the waiver when submitting entry forms.**
- 9. No refunds will be given for missed classes. Pay attention, and if you need help handling dogs...ask for it.**
- 10. Any exhibitor found to be in violation of any of these policies will be disqualified and no refund given.**
- 11. No grooming at ringside! Please limit grooming at the trial site. Grooming at hotels/motels is not allowed.**
- 12. If you need to use marijuana for medical reasons, you must smoke OFF the Leon County Expo Center grounds.**

HELP SUPPORT OUR TROOPS

Priscilla dedicates a lot of time to helping and communicating with our men and women in the armed forces during the whole year, this is not something she does just for our trials - it's a year-round dedication. With that said, the GCJRTN asks that you bring an item or two to donate to our troops. Priscilla will send these packages to our troops overseas. There is NO PROFIT in this for our club; this is strictly in support of our troops.

Monetary contributions or pre-paid USPS boxes are welcome; this helps Pris with shipping costs.

Many items, such as aerosol spray cans are not approved for shipping – so keep safety in mind. However, the list of approved items is endless; use your common sense as well as your imagination. Be sure to send items that are well protected and will not melt, be crushed or crumbled.

Think "travel size" and lightweight! Priscilla has plenty of generic motel samples, so please hold off on those! SMALL/LIGHT-WEIGHT BIBLES, hand sanitizers, notepads/pens, Wet-Wipes and/or Baby-Wipes, mini packs of SUNSCREEN, mini-toothpaste tubes, tooth brush/floss kits, disposable razor blades, eye drops, dominoes, combs & brushes. QUALITY female and male hygienic needs (they get the bottom of the line over there), pop-top canned food goods (Ravioli, Spaghettios, Chili, Mac & Cheese - check expiration dates!), trail bars, plastic eating utensils, magazines (hunting, sports, cars for guys/girly ones for the gals, crossword puzzles, foot powder/baby powder - anything to prevent chafing, beef jerky, snacks (sweet and salty). Individual powdered drinks, Gatorade, electrolytes, freeze dried meals, instant soups, nuts, DVD's, dog toys, extra club newsletters and issues of True Grit. Thank You cards would be nice as would personal messages of support, decks of playing cards, small hand-held games, disposable cameras, mouthwash, peppermints, water bottles with funnels, chap-stick, lotions, old cell phones that will be recycled, insect repellent wipes, and phone cards, are but a few suggestions. Due to extreme hot/cold temperatures, packaging is most important and mini-zip locks are ideal for this – it will keep things from leaking.

IMPORTANT

The JRTCA is adamantly opposed to recognition/registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTCA membership is limited to individuals who support the JRTCA's principles. Registration of Jack Russell Terriers (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRTCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.

INFORMATION REGARDING PAYPAL

As of July 28, 2022, US Business accounts can no longer receive friends and family payments from US senders. This change was made for the following reasons:

To ensure that all eligible purchases are protected for both buyers and sellers by [PayPal's Purchase Protection](#), guarding against fraud and other things that can go wrong with purchases.

To help businesses properly track commercial income for reporting and tax compliance purposes.

To decrease buyer confusion between goods and services, and friends and family payment types.
